

Safeguard Sensitive Information Using our Secure Submissions Portal

Safe. Secure. Simple.

When you transmit consumer data, it's essential to keep the information safe. That's why Enact has created a **Secure Submissions** process that lets you transmit data and documents to us through our website...quickly and safely.

Here's how:

1. [Click here](#) to link directly to our Secure Submissions portal
OR: Access our website at Servicing.EnactMI.com
2. Select **GO** from the **Secure Submissions** box at right (Figure A). You will be directed to our Secure Submission portal (Figure B)
3. Upload a document using the **Browse** button. Multiple documents can be uploaded.
NOTE: Max file size is 500 MB
4. Choose document type from the **Document Type** field provided
5. Enter the last 4 digits of your **Org Number:**
6. Enter your **email address** in case we need to contact you
7. Click **Submit**.

Your file will be encrypted during the upload process and during transmission to Enact. It's easy!
